Tuftonboro, New Hampshire - December 11th, 2022: Jaden Powers announces the publication of his first collection of flash fiction stories *God's Greed and Other Stories*. The e-book can be purchased at www.Smashwords.com for 0.99.

The Collection starts off with "Gods' Greed." It is a story about a collection of corrupt gods and goddesses, leaving Cupri to try and change their outlook on humanity.

The second flash fiction, "Always Late" tells the story of the young man Cayde, trying to get to a bowling alley on time for the first time in what seems like a lifetime. He must help people in his neighborhood fast so he can still arrive on time.

"The Test" follows a young teen trying to overcome his anxiety and impossible odds and survive a perilous test. A wolf hunts his class down, and they must run or hide until morning.

The story "Time Out" involves a household of four. The youngest wants to become a writer, but his older brother always comes in, bashing him and his stories. What the youngest doesn't know is the reason behind his brother's intentions.

Finally, "The Ghost of Back In Time Apartments" is about a couple who are coming home from finishing a date. The Apartment building the man lives at holds many secrets, and the woman will have to finally face what she shut off years in the past.

Jaden Powers is a Narrative Designer for Kyrie Studios and Futura Games. He primarily writes Military Science Fiction. He is currently pursuing his Bachelor of Fine Arts in Creative Writing at Full Sail University.
